NARRATIVE:

Maria Pimental is a documented gang member and has an extensive adult criminal history that began at the age of 23. Her convictions include battery with injury, possession of firearm by felon, multiple burglaries, accessory to robbery, several forgeries, several cases of receiving stolen property, multiple false personations and several cases of possession of controlled substances. She has served multiple state prison terms, the longest being a 28 month term for possession of a firearm by felon. Pimental was released from state prison to the supervision of the Los Angeles County Probation Department on October 6, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in September 2016 after she absconded from post release community supervision (PRCS). Pimental qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for accessory is defined as non-serious and non-violent under the California penal code. Her criminal history, gang member status and current failure to comply with the terms of release make her a most wanted. If you know her whereabouts please contact...
